

BLANK
SCREEN

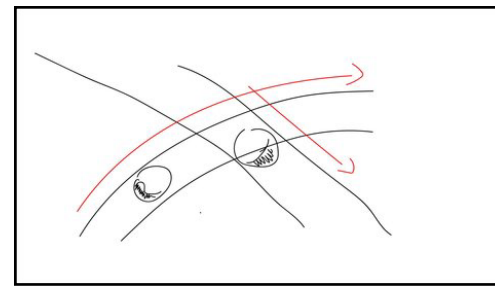

1 Blank Screen.

Nothing.
Nothing.

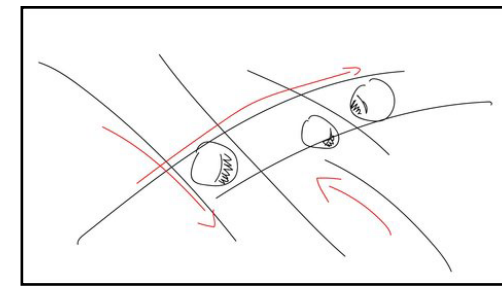

2 First bit of action.

A swooshing sound to go with the circle moving across the screen.
Circle slides across the screen, highlighting something under it's path.

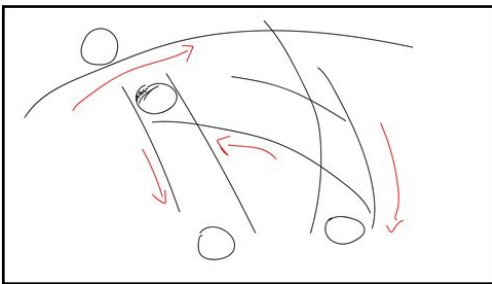

3 More of the same.

More swooshes.
Slightly more of what's underneath is revealed.

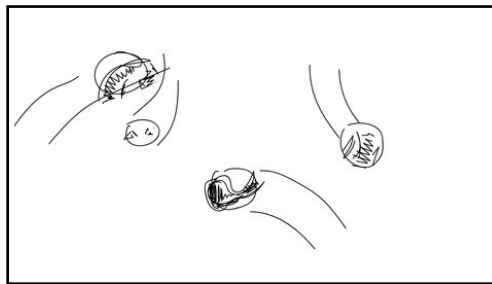

4 A little bit more now, with the speed increasing.

Sounds becoming a little more erratic to highlight the movement.
Circles swooshing a little more now and a little faster.

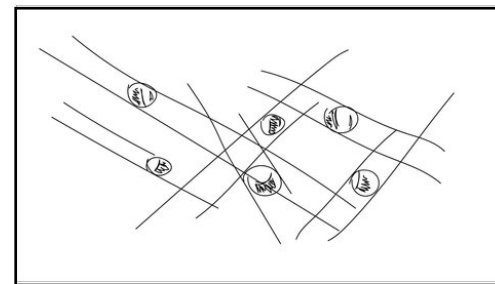

5 More of the same again.

Sounds stay just the same.
Movement stays at a happy medium for a while.

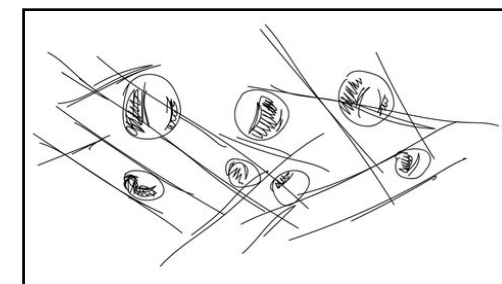

6 The logo underneath begins to be seen.

Sounds getting even more strange.
Little bit more of the logo coming through.

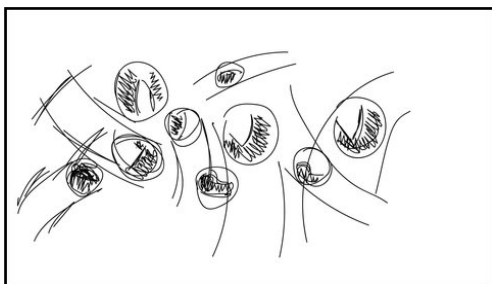

7 Movement begins to show something coming together.

More of the weird sounds coming even faster.
More shapes are coming on the screen at one time now, faster.

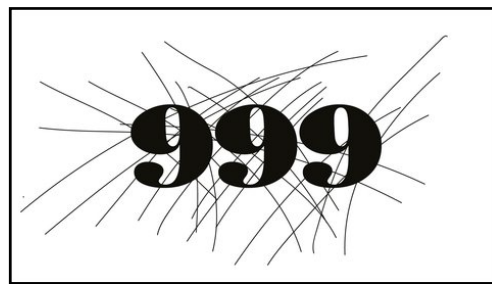

8 Logo is definitely there just needing a little more.

Sounds are beginning to sound a little indecipherable.
Even more shapes coming on now, getting faster.

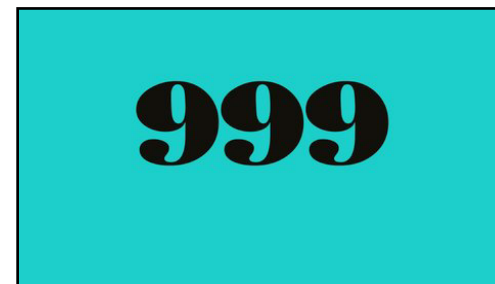

9 Logo can just about be seen.

More of the same.
There are that much shapes appearing at such a high speed that the logo can almost be seen.

10 Logo can be seen.

Sound is totally indecipherable now.
Shapes are coming onto the screen so fast that the 999 Design logo is clearly visible.

11 Merges into the 999 design logo with the turquoise background.

Sound is quiet now, dying down.
Background appears with the turquoise 999 colour with the logo clear.

12 Website comes along the screen, to finish off the final screen.

Gong sound, to signal completion.
999DESIGN.COM slides onto the screen.
